PATIENT CONSENT INFORMATION

A. Patient Services Authorization

By signing this Authorization, I authorize my physicians or other healthcare providers and staff, my health insurance company, and my pharmacy providers (together, "Providers") to disclose to Harmony Biosciences, LLC, and its representatives, agents, and contractors working with Harmony Biosciences, LLC (together, "Harmony"), my personal health information, including information related to my medical condition, treatment, care management, health insurance coverage and claims, and any other information contained on this treatment form (together, "protected health information").

Specifically, I authorize Harmony to receive, use, and disclose my protected health information to (i) enroll me in and contact me about Harmony medication support programs; (ii) provide me with educational materials, information, and services; (iii) verify, investigate, assist with, and coordinate insurance coverage with my insurers; (iv) coordinate prescription fulfillment and refills; (v) assist with analyses related to the quality, efficacy, and safety of my treatment as well as patient access and adherence; (vi) to share and provide access to information generated by WAKIX for You that may be useful for my care; and (vii) to improve, develop, and evaluate WAKIX for You, its offerings, and materials. I authorize Harmony to contact me to provide such services and information by mail, email, fax, telephone call, and text message (including calls and text messages made with an automatic telephone dialing system or a prerecorded voice), as well as other mutually agreed-upon means.

Once my health information has been disclosed to Harmony, I understand that federal privacy laws no longer protect the information. However, Harmony agrees to protect my health information by using and disclosing it only for purposes authorized in this Authorization or as required by law or regulations. I understand that my pharmacy provider may receive remuneration from Harmony in exchange for the health information and/or for any support services provided to me. I also authorize disclosure of my health information to the specific individuals whom I have designated on the treatment form.

I understand that I may refuse to sign this Authorization. I further understand that my treatment, payment for treatment, insurance enrollment, or eligibility for insurance benefits are not conditioned upon my agreement to sign this Authorization. However, if I do not sign the Authorization or later cancel it, I will not be able to receive Harmony's support services. I may cancel this Authorization at any time by writing a letter requesting such cancellation and mailing to WAKIX for You, P.O. Box 15715, Pittsburgh, PA 15244 or by calling WAKIX for You at 1-855-WAKIX4U (1-855-925-4948). Canceling this Authorization will end my consent to further disclosure of my health information to Harmony by my Providers after they are notified of my cancellation, but will not affect previous disclosures by them pursuant to this Authorization. This Authorization expires ten (10) years, or such shorter timeframe required by applicable law, from the day I sign it as indicated by the date next to my signature unless otherwise canceled earlier as set forth above.
